

LIMITED WARRANTY

What does this warranty cover?

BGRMods, L.L.C. warrants that Illuminating Thumbsticks, when installed correctly by user, will be free from defects in product component materials. Please note, that by attempting to install, altering, or modifying your controller, you may void any warranties you may have for your controller. If you wish to modify your controller with Illuminating Thumbsticks, please do so at your own risk. Prior to attempting installation, you may return your Illuminating Thumbsticks product and the instructions to the address listed below, along with your original receipt within 30 days of purchase of the product for a price refund.

How long does this warranty last?

This warranty lasts for thirty days after original date of purchase. This coverage applies to you, and coverage terminates if you sell or otherwise transfer your Illuminating Thumbsticks product.

What will BGRMods, L.L.C. do?

BGRMods, L.L.C., at their discretion, will replace or repair the product, or refund the purchase price of your Illuminating Thumbsticks product. To make a claim under this Limited Warranty, please mail, postage prepaid, a copy of the original purchase receipt, the product (and controller if installed already), and the products original packaging, including instructions to:

BGRMods, L.L.C.
ATTN: Warranty Department
3712 Tower Ave
Suite H
Superior, WI 54880

Please also include your name, address, and telephone number and a brief written description of the problem you are experiencing. For faster customer service, please fill out a customer feedback form at www.BGRMods.com/contactUs/customerFeedback.php

What is not covered by this warranty?

This warranty does not cover abuse or misuse of the Illuminating Thumbsticks product. This warranty does not cover improper installation, including defective gluing or soldering of the product to the controller. Please follow the installation directions carefully, as BGRMods, L.L.C., its employees, its agents, and its retailers, will not be liable for any damages arising from buyer's misuse or improper installation of the product, including incidental and consequential damages and such damages are not recoverable under this warranty. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusion or limitation may not apply to you. This warranty gives you specific legal rights, and you may have other legal rights which vary from state to state.

TOOLS NEEDED: Hot glue gun (Step 8)

HERRAMIENTAS NECESARIAS: Pistola de pegamento caliente (Paso 8)

OUTILS REQUIS: Fusil à colle chaude (Étape 8)

TOOLS NEEDED: Heißkleberpistole (Schritt 8)

1: Remove the battery pack.

Extraiga la batería. / Retirez le bloc pile. / Entfernen Sie die Akkus.

2: Remove the 7 screws.

Extraiga los 7 tornillos.

Retirer les 7 vis en utilisant.

Entfernen Sie die 7 Schrauben.

3: Place the controller face down, push up thumbsticks to separate controller halves.

Coloque el control boca abajo, empuje los botones thumbstick para abrir control.

Si está acoplado, extraiga las piezas en la parte superior e inferior que mantiene unidas la parte delantera y trasera del control. / Placez la manette face vers le bas et placez les boutons de contrôle vers le haut afin de pouvoir séparer les moitiés de la manette. Si elles sont attachées, enlevez les pièces du haut et du bas qui retiennent les moitiés avant et arrière ensemble. / Legen Sie den Controller verkehrt herum hin und drücken Sie die Sticks, um den Controller zu teilen. Wenn notwendig, entfernen Sie die Stücke oben und unten, die die Hälften zusammenhalten.

4: Install IntensaFIRE 2.0 (black) if you have not already done so. Do not reassemble controller.

Once the glue used to install the IntensaFIRE has dried, remove thumbsticks from controller. / Instale IntensaFIRE 2.0 (negro) si todavía no lo ha hecho. No vuelva a ensamblar el control. Una vez que se seque el pegamento utilizado para instalar IntensaFIRE, quite las palancas de control del pulgar. / Installer l'IntensaFIRE 2.0 (noir) si vous ne l'avez pas déjà fait. Ne pas réassembler la manette. Une fois que la colle utilisée pour installer l'IntensaFIRE a séché, retirer les touches à gâchette de la manette. / IntensaFIRE 2.0 (schwarz) installieren, wenn dies noch nicht erfolgt ist. Controller nicht wieder zusammensetzen. Ist der Kleber, der zur Installation des IntensaFIRE verwendet wird, getrocknet, Hebel aus dem Controller entfernen.

fig.3

5: Connect both light rings (A) to the wire (B) using the two smaller plugs (C and D), plug wire into IntensaFIRE (E) using the third, larger plug (F). / Conecte los dos aros de luz (A) al cable (B) utilizando los dos conectores más pequeños (C y D), conecte el cable en IntensaFIRE (E) utilizando el tercer conector más grande (F). / Reliez les deux anneaux lumineux (A) au fil (B) en utilisant les deux prises de plus petite taille (C et D), branchez le fil dans l'IntensaFIRE (E) en utilisant la troisième prise de plus grande taille (F). / Die beiden leuchten Ringe (A) über die beiden kleineren Stecker (C und D) mit dem Draht (B) verbinden, Draht mit dem dritten, größeren Stecker (F) in den IntensaFIRE (E) einstecken.

6: Turn the rings so that where the wire attaches is facing down (fig.2). Place them over the posts that held the thumbsticks. The metal contact points should now be on the top right and bottom left of each thumbstick (fig.3). / Gire los aros para que la parte donde se fija el cable quede hacia abajo (fig.2). Colóquelos sobre los postes que sujetan las palancas. Los puntos de contacto metálicos ahora deberían estar en la parte superior derecha y parte inferior izquierda de cada palanca de control (fig.3). / Tourner les anneaux afin que les liaisons de fil soient face vers le bas (fig.2). Les placer sur les tiges qui soutiennent les touches à gâchette. Les points de contact métalliques devraient maintenant se trouver sur la partie supérieure droite et la partie inférieure gauche de chaque touche à gâchette (fig.3). / Ringe so drehen, dass die Anschlussstelle des Drahts nach unten zeigt (fig.2). Über die Stellen halten, an denen sich zuvor die Hebel befunden haben. Die Metallkontaktstellen sollten nun oben rechts und unten links über jedem Hebel platziert sein (fig.3).

7: Solder the rings so that they adhere to the corners of the metal boxes underneath the rings. To do so you should heat those corners for five seconds (or until the solder sticks) with the solder as you apply it. / Suelde los puntos de contacto metálicos para sujetar los aros a las cajas metálicas debajo de los aros. Caliente cada punto de contacto con el soldador por cinco segundos (o hasta que haya adherencia). / Souder les points de contact afin de faire adhérer les anneaux aux boîtiers de métal sous les anneaux. Chauffer le point de contact à l'aide de la soudeuse pendant cinq secondes (ou jusqu'à ce que la soudure adhère). / Kontaktstellen anlöten, um die Ringe an den Metallkästen unter den Ringen zu befestigen. Jede Kontaktstelle mit Lot fünf Sekunden lang erhitzen (oder bis das Lot klebt).

8: Carefully use hot glue to attach wire to the IntensaFIRE board at the indicated points (fig.4). Allow 5 minutes for glue to dry. / Utilice el pegamento caliente cuidadosamente para fijar el cable a la placa IntensaFIRE en los puntos indicados (fig.4). Deje secar el pegamento durante 5 minutos. / Utiliser la colle chaude avec précaution afin de relier le fil à la carte de l'IntensaFIRE aux points indiqués (fig.4). Laisser la colle sécher pendant 5 minutes. / Vorsichtig mit Heißkleber den Draht an den vorgegebenen Stellen (fig.4) an der IntensaFIRE-Platine befestigen. 5 Minuten warten, damit der Kleber trocknen kann.

fig.4

9: Put the clear thumbsticks on the posts where you removed the original thumbsticks. / Coloque las palancas de control claras en los postes de donde quitó las palancas originales. / Placer les touches à gâchette transparentes sur les tiges d'où vous avez retiré les touches à gâchette originales. / Saubere Hebel auf den Stellen befestigen, von denen die alten entfernt wurden.

10: Reverse steps 1-3 to put the controller back together. / Realice los pasos 1 al 3 en orden inverso para ensamblar el control nuevamente. / Refaites les étapes 1 à 3 à l'envers afin de réassembler la manette. / Schritte 1 – 3 in umgekehrter Reihenfolge durchführen, um den Controller wieder zusammenzubauen.
